

DELHI PUBLIC GLOBAL SCHOOL
ANNUAL PEDAGOGICAL PLAN 2026-27
CLASS - NURSERY

	APRIL	MAY	JULY	AUGUST	SEPTEMBER
MOTOR ACTIVITIES	Playing with sponges Fill the bowl with water and leave the other empty. Child will soak the sponge in water and squeeze out into the other bowl	Painting It will help strengthen child's eye coordination and manual dexterity 2- Hit ball with a cushion	Bead stringing Give your child some big beads and a string. They can practice hand-eye coordination while making their own bead jewelry 2- Sand play	Popping bubbles Just blow some bubbles and have your child usually track them and reach out to grab them before they float away 2- Dancing	Walk like an animal Walk like a bear on all fours in the ground. This will develop body strength, body awareness and overall coordination 2- Tearing and Pasting
LIFE SKILLS	Washing hands before meals	Dressing and undressing	Teaching children how to request and how to say sorry	Teaching children table manners for e.g. fold napkins, set plates etc)	Wrap a present Kids can learn how to properly wrap a present in case there is no one to help them
